SUNDAYS

Limitless Glasgow meets every Sunday except the last Sunday of the month.

We gather in The Cabin after sung worship around 11.50am.

The first Sunday of the month is Worship and Word. This is a time for us to worship God together as a Limitless Glasgow Family, encourage one another, use our gifts and hear from the Bible. We also take up our Compassion Sponsor Child offering on this Sunday.

The second and third Sundays are Grow sessions where we look at what God has to say to us on different life issues through Bible study and discussion.

SERVE

We have lots of opportunities to try serving on the last Sunday of the month. Speak to the youth team if you're interested! We also have regular youth led services.
